

New chopper card on ruby t and jade

With reference to our Newsletter 23 dated 05/06/12 (Presentation Interclean 2012), we herewith confirm that, the new chopper card is in production both on the models ruby t and jade.

As already informed, the ruby t will be equipped with the backwards movement and the transmissible power has been increased.

→ Starting from serial number: 12002098 dated 12/06/12 for *ruby 50t bh*

→ Starting from serial number: 12002512 dated 17/07/12 for *ruby 45t, 55t, 50t*

→ Starting from serial number: 12001944 dated 06/06/12 for *jade 50, 55, 66, 55ct*

The chopper card with part number **49701090** is assembled on all above-mentioned models.

In the revised tables you will therefore find:

table 0412-30 R02 for ruby 50bht - pos. 12, 49701090 chopper card 4Q 24V 45A

As spare part, instead of 49701010, you will receive part number 49701160 and it will be sent complete with the adapting cable. Instructions enclosed.

table 0412-10 R02 for ruby 45t, 55t, 50t - pos. 12, 49701090 chopper card 4Q 24V 45A

table 0212-10 R02 for jade - pos. 12, 49701090 chopper card 4Q 24V 45A

As spare part, instead of 49701010, you will receive part number 49701160 and it will be sent complete with the adapting cable. Instructions enclosed.

Furthermore, the manual Italsea 7CH4Q45B_E_0 is available. Using the suitable tester console for the programming (63708001), you can easily carry out the controls and eventual adjustments.

Thanking you for your kind attention, we remain

with best regards
